

Hello!

Sheldon Creek Dairy is a local, family dairy farm that offers great tasting, glass bottled milk and yogurts which come in a variety of flavours! They make all of these products from the milk from their 55 holstein cow herd. The products are all crafted right on their farm in Loretto Ontario. Your store is where I get all of my groceries, and I would love to be able to purchase

Sheldon Creek Dairy's products here as well. I am confident our neighbours will love their products too!

I am interested in purchasing:

- Whole Milk
- Chocolate Milk
- Seasonal: Eggnog or Strawberry Milk
- 45% Cream

- Plain Yogurt
- Vanilla Yogurt
- Raspberry yogurt
- Kefir
- Labneh

You can contact Marianne at 705 434-0404 or marianne@sheldoncreekdairy.ca to order!
You can also find more information at www.sheldoncreekdairy.ca
